AUDITOR'S CERTIFICATE

Washington, N. H., January 20, 1951

I have examined the accounts of the Selectmen, Treasurer, Clerk, Tax Collector, Road Agent, Trustees of Trust Funds, and Trustees of Shedd Free Library, for the fiscal year 1950. I find them correctly cast and properly vouched.

LEWIS P. LINCOLN,
Town Auditor.

REPORT OF THE WASHINGTON TOWN PLANNING COMMITTEE

At the Town Meeting, Robert J. Porter was elected to the Town Planning Committee for a five year term. The present members and the expiration date of their term of office are:

Preston E. Rolfe, Sec.-Treasurer	1951
Abner H. Barker	1952
Lucy S. Tweedy, Chairman	1953
Ruth E. Otterson	1954
Robert J. Porter	1955

Under Article 16 of the warrant, it was voted that "the Planning Committee replace the service honor roll with a monument to be placed in the same triangle, to honor those from Washington who served with the armed forces during World Wars I and II and the Spanish-American War" and $50 was appropriated for that purpose. A bronze tablet was purchased and attached to a native boulder. At the dedication ceremony on Memorial Day, Frank O. Hartwell acted as master of ceremonies. Dr. Malden gave the invocation. The Lord's Prayer was sung by John Newman. In his address, Dr. Madsen said, "As a memorial of the courage and devoted patriotism of our sons who served in the armed forces of our country in the Spanish-American War and World Wars I and II, we, the people of Washington, New Hampshire, set up and dedicate this stone. May it be an ever-present reminder of the great sacrifices which have preserved our freedom and way of life hitherto, and may it, under God, inspire in everyone such loyalty that brave hearts shall never fail, but will continue to cherish and defend these free institutions under which we live together in peace and good-will." Norman Fletcher placed a wreath on the tablet as Philip Hugney sounded "Taps." Expenditures were as follows:

Bronze tablet	$23.06
Setting tablet	7.00
Moving boulder	10.80
3 bronze markers	9.70
Total	$50.56

Under Article 16 of the warrant it was voted that the Planning Committee supervise the expenditure of $100 for repairing and painting the Shedd Free Library fence. Earl Cilley contracted to make the repairs for that sum, but because of the bad condition of the fence only two-thirds could be completed. It is hoped that $100 will be appropriated to finish the repairs and paint the entire fence.

A series of nine square dances was sponsored by the Planning Committee in the Town Hall during the summer. At the last dance $40 was turned over to the Town Treasurer for equipment for the Town Hall kitchen. The dance account follows:

Receipts	
Admissions	$322.30
Gifts	28.41
Total	$350.71
Payments	
Music	$225.00
Police	20.00
Taxes	64.46
Miscellaneous	1.25
Town Treasurer, Benefit Kitchen Fund	40.00
Total	$350.71

In August, the Planning Committee circulated a petition for repairs to State Highway 31 through the center of the town, which was received favorably by the State Department of Public Works and Highways and acted upon.

During the summer, through the efforts of the Planning Committee, flowers donated by Edward Tyacke, were set out to beautify part of the Town Common.

Classes in handicrafts under Mr. and Mrs. Kenneth Jewett of Antrim, were organized by the Planning Committee. Meetings were held in the Center school house and the project was self supporting.

REPORT OF SCHOOL ADMINISTRATION

To the School Board and Citizens of Washington:

I submit herewith my sixth annual report concerning the Washington educational program, with distinct pride in your accomplishments and sincere appreciation for the great teamwork and skills in working together of pupils, parents, Miss Hoyt, and the School Board which has effected the operation of such wholesome educational program.

The Center School was renovated during the summer in a manner which makes it now one of the most modernly appointed schools in the whole state of New Hampshire. Through your generosity in supplying the necessary funds, it was possible to build on at the rear of the present structure, a large new ell to house the two new toilet rooms and the new furnace room. Through the careful planning and budgeting of your Board, we were enabled to get the whole building job and installations done within the budget, and including certain alterations in the upstairs room. New grading in the rear of the addition and installation of a septic tank were also included in the completed job. Fletcher Brothers of East Washington were the general contractors with Silsby and Johnson of Newport as plumbing and heating sub-contractor.

Our other great pride is the tremendous success of Miss Hoyt and her pupils in downright true experiences in pure living in a democarcy. While educators all around us are asking can we or dare we educate for democracy, Miss Hoyt is doing it and doing it extremely well. These are troubled times all over the world. We hear dire things about the future of domocracy which we were brought up to think of as a birthright. No matter how glowing it looks on paper or how many flags are waving, democracy does not come naturally. One has to learn it, to live it, to struggle for it; and all this calls for a process of education which offers the experiences of a democracy firmly coupled with the objectives of education. Actually, we must teach our pupils how to function as citizens beyond the mere mechanics of voting on issues. With the knowledge imparted there must be understandings, not the mere memorization of facts by themselves. Activity calls for situations in which the democratic way of life can actually be practiced so that

each person will learn first hand the problems and the values of participation in the making of decisions, in the planning for the security of a common humanity.

Since such education actually signals a process of seeking out truths by experience, there is less dogma to fall back on whenever reactionaries try to take us backwards. It is fundamental however that such a program as is described is actually directed toward making freedom more understandable. In such a program, books serve as sources of information and ideas, and our problems come from those of the people in our community.

Miss Hoyt and her pupils are heartily congratulated, then, for their ardent pursuit of learnings in democratic citizenship and true patriotism. With the continued cooperation of the community the Washington School can be expected to continue to prosper.

In conclusion I wish to thank Mr. Fletcher, Mr. Otterson and Mr. Rolfe for their splendid cooperation in the promotion of our year's work. The skilled assistance of Kenneth E. Jewett in our Fine Arts program is well recognized in the community and is reflected in the contributions of our pupils in the homes and publicly. Thanks also are due to Mrs. Mary Griffin for her assistance in the field of school health and to Mrs. Stanley Drew for her conscientious transportation service.

Respectfully submitted,

STEWART V. McCORMACK,
Superintedent of Schools.
